DAILY RECORD

MINING LAW.

Law of Congress Governing the Loresteed of the Control to General Conference of the Control Conference of the Con

another, sac. I. That where a tunnel is run for the evelopment of a vein or lode, or for the discov-y of unitse, the owners of such tunnel shall we the right of possession of all verse or todes thin three thousand feet from the face of such

say of mines, the owners of such tunnel shall have the right of possession of all twens or lodes within three thousand feet from the face of such tunnel on the line thereof, not previously known to clast, discovered in such tunnel, to the same extent as if discovered from the surface, and beatings on the line of attach tunnel of wins or lotten not appearing on the surface, made by other parties after the commencement of the runnel, and white the same is being presented with reasonable diligence, shall be invalid, but failure to prosecute the work on the trunnel for six inpuths shall be considered as an abandonment of the right to all unbisoovered voins on the line of said tunnel.

Sign. 5. That the miners of such mixing district may make rules and regulations not in consistent with the laws of the United States, or with the laws of the State of Territory in which the district is situated, governing the location, maner of recording, amount of work necessary to hold possession of a mining claim, subject to the following requirements. Location must be distinctly marked on the ground so that its boundaries can be resulty traced, all records of mining claims because the location, date of the location, and such a description of the claim or claims bounds by reference to some natural solpect or permanent monument as will identify the claim. On each claim located after the passage of this act, and until a patent shall have been issued therefor, no less than one humilard claims located pror to the passage of this act, and until a patent shall have been issued therefor but where such claims are held in common, such expenditure may be made upon any one claim; and upon a failure to comity with these conditions, the claim or prise we deed assess the region of the water as saids as held in common, such aspenditure may be all upon any one claim; and upon a failure to mply with these conditions, the claim or mine pon which such failure occurred shall be open re-location in the same namner as if no locaton of the same hall ever been made: Provided, hat the original locators, their heirs, tion of the same had ever been made: Provided, That the original locators, their heirs, assigns, or legal representatives, have not resumed work upon the claim after such failure and before such location. Upon the failure of any one of several co-owners to contribute his portion of the expenditures required by this act, the co-owners who have performed the labor or made the improvements may at the expiration of the year, give such delinquent co-owner personal notice in writing or notice by publication in the newspaper, published hearest the claim, for at least one a west for interly days, and if at the expiration of minety days after such notice in writing or notice in proportion to comply with this act, his interest in the claim shall become the property of his co-owners who have made the required expenditures.

Suc. 6. That a patent for any land claimed and located for valuable deposits may be obtained in the following manner: Any person,

Sac: 6. That a patent for any land claimed and located for valuable deposits may be obtained in the following manner: Any person, association, or corporation authorized to locate a claim under this act, having claimed and located a piece of land for such purposes, who has, or have, complied with the terms of this act, may like in the proper land-office an application for a patent, under eath, showing such compliance. his in the proper land-office an application for a patent, under oath, showing such compliance, together with a plat and field-notes of the claim or claims in common, made by or under the di-netion of the United States Surveyor General, showing accurately the boundaries of the claim or claims, which shall be distinctly marked by menuments on the ground, and shall post a copy of such splat, together with a notice of such application for a patent, in a conspicu-ous place on the land embraced in such plat pre-vious to the filing of the application for a pat-ent, and shall file an adidavit of at least two persons that such notice has been duly posted as ent, and shall file an addavit of at least two persons that such notice has been duly posted as aforesaid, and shall file a copy of said notice in such land-office, and shall thereupon be entitled to a patent for said land, in the manner following: The register of 'be land-office, upon the filing of such application, plat, field-notes, notices and additives, shall publish a notice that such application has been made, for the period of siry days, in a newspaper to be by him designated as published nearest to said claim; and he shall also post such notice in his office for the same period. The claim at the time of filing his application, or at any time thereafter, with shall also post such more than a feeting of filing this application, or at any time thereafter, with-in the sitty days of publication, shall file with the register a certificate of the United States Surveyor General that five hundred dollars worth of labor has been expended or improve-ments made upon the claim by himself or gran-tors; that the plat is correct, with such further description by such reference to natural objects

ments made upon the claim by himself or granters; that the plat is correct, with such further lescription by such reference to natural objects or permanent monuments as shall identify the claim, and furnish an accurate description, to be incorporated in the patent. At the expiration of the sixty days of publication the claims and inches has a contract description, to be incorporated in the patent. At the expiration of the sixty days of publication the claims thail file his affidavit, showing that the plat and notice have been posted in a conspicuous place on the claim during said period of publication. If no adverse claim shall have been filed with the register and the receiver of the proper land-office at the expiration of the sixty days of publication it shall be assumed that the applicant is entitled to a patent, upon the payment to the proper of ficer of five dollars per acre, and that no adverse claim exists and thereafter no objection from third parties to the issuance of a patent shall be heard, except it be shown that the applicant has failed to comply with this act.

Size, 7. That where an adverse claim shall be upon oath of the person or persons making the same, and shall show the nature, boundaries, and exisut of such adverse claim, and all proceedings, except the publication of notice and making and filing of the affidavit thereof, shall be stayed until the controversy shall have been settled or decided by a court of competent jurisdiction or the adverse claim, and all proceedings in a court of competent jurisdiction to determine the question of the right of possession, and prosecute the same, with reasonable diligence, to final judgment; and a failure so to do shall be a waiver of his adverse claim, or such judgment with the register of the land office, together with the crifficate of the Surveyor-General that the requisite amount of labor has been expended, or improvements made thereon, and the party entitled to the possession of the claim, or supportion the whole proceedings and the judgment-coll

owners over the public lands, and for other purposes; approved July minth, eighteen handred and seventys a patent shall issue for the placer-ciaim, including such vein or lode, upon the payment of five dollars per acre for such vein or lode claim, and twenty-five feet of surface on reach site thereof. The remainder of the placer-chaim, or any placer claim mot embracing any vein or lode claim, and twenty-five feet of surface on reach site thereof. The remainder of the placer-chaim, or any placer claim mot embracing any vein or lode claim, and fifty cents per acre, together with all coasied processings; and where a vein or lode, such as described in the second section of this act, is known to exist within the boundaries of a placer-claim, which does not include any pleasant for the vein or lode claim, shall be construed as a conclusive declaration that the claim shall of the placer-claim is not known, a patent for the vein or lode claim, shall be construed as a conclusive declaration that the claim shall be of the placer-claim is not known, a patent for the placer-claim shall convey all valuable mineral and other depeats within the boundaries thereof.

Sec. 12. That the Surveyor-General of the Indied States may appoint in each land district containing mineral lands as many competent aurreyers as shall apply for appointment to survey mining viamo. The expenses of the survey of vein or lode claims, and the survey and subdivision of placer claims into smaller quantities than one hundred and sixty acres, together with the cost of patent claims into smaller quantities than one hundred and sixty acres, together with the cost of patent claims into smaller quantities from the same of the mere reasonable rates, and they shall also have power to establish the maximum charges for universal and publication of mining notices in such district, and in case of excessive charges for publication, and of mining notices in such district, and in the states to be charged by such paper; and, to the end from the maximum charges for unin gether with all fees and money paid the Resister and Receiver of the land-office, which statement shall be transmitted, with the papers in the case, to the Commissioner of the General Land-Office. The fees of the Register and the Receiver shall be five dollars each for filling and acting upon each application for patent or adverse claim filed, and they shall be allowed the amount fixed by law for reducing testimony to writing, when done in Land-Office, such fees and allowances to be paid by the respective parties; and no other fees shall be charged by them in such cases. Nothing in this act shall be constructed to enlarge or affect the rights of either party in regard to any property in controversy at the time of the passage of this act, or of the act entitled "An act granting the right of way to ditch and canal owners over the public lands, and for other purposes," approved July 26, 1886, and for other purposes," approved July 26, 1886, and for other purposes," approved July 26, 1886, nor shall this act sheet any right acquired undersaid act; and nothing in this act shall be constructed to repeal, impair, or in any way affect the provisions of the act entitled "An act granting to A. Sorto the right of way and other privileges to sid in the construction of a draining and exploring tunnel to the Comstock Lode, in the State of Nevada," approved July 25th, 1866.

Szc. 12. That all affidavits required to be made under this act, or the act to which it is amendatory, may be verified before any efficer authorized to administer oaths within the land district where the claims may be situated, and all testimony and proofs may be taken before any such officer, and, when duly certified by the officer as if taken before the Register and Ileaseiver of the Land Office, in cases of contest as to the mineral or agricultural character of land, the testimony and proofs may be taken before any such officer, and, when duly certified by the such action is all the summary and proofs may be taken before any such officer, and when the

also receive a patent for his mill-site, as provi-ded in this section.

Sac. 16. That all acts and parts of acts incon-sistent herewith are hereby repealed: Provided. That nothing contained in this act shall be con-strued to impair, in any way, rights or interests in mining property sequired under existing laws. Approved May 10, 1872.

CHAP, CCXIV.—An Act to smend an Act entitled An Act to promote the Development of the Mining Resources United States.

Mining Besources e United States.'

Be it enacted by t and House of Representatives of the United States of America in Congress assembled, That the provisions of the fifth section of the Act entitled "An Act to promote the development of the mining resources of the United Stated," passed May tenth, eighteen hundred and seventy-two, which requires or chaims located prior to the passage of said Act, are hereby so amended that the time for the first annual expenditure on claims located prior to the passage of said Act shall be extended to the tenth of June, eighteen hundred and seventy-four. Approved March 1, 1872.
